You will see the main login page for STI.

The screenshot shows the top navigation bar with the "InformationNOW" logo on the left and the URL "www.sti-k12.com | Help" on the right. Below the navigation bar is a main content area with a yellow background. On the left side of this area is a vertical strip of photos labeled "REPORT CARD". The main text reads: "STI's new web-based STI InformationNOW draws upon 25 years of experience in the K-12 market". Below this is the question "What can STI InformationNOW do for you?" followed by a bulleted list: "Increase productivity through automation", "Enable data-driven decisions with easy access to your data", and "Gain better control of all your district's processes in one system". To the right of this text is a login form with fields for "User Name:" and "Password:", a "Login" button, and a link for "Forgot your password?". Below the login form is a section titled "STIQuick Clicks" with links for "STI Assessment", "STI Student Information System", "STI Special Ed Tracking System", and "STI Professional Development". A white callout box on the right side of the page contains the text "Enter your login id and password here" with two arrows pointing to the "User Name:" and "Password:" input fields.

This screenshot is identical to the one above, showing the STI InformationNOW login page. A red arrow points from the right side of the page to the "User Name:" input field, which contains the text "login id". The "Password:" field contains seven dots. The rest of the page content, including the navigation bar, main text, and "STIQuick Clicks" section, is the same as in the previous screenshot.

The screenshot shows the InformationNOW website interface. On the left is a navigation menu with sections: Home (Home Page, School Calendar), Students (> Student Information), and Reports (Report Card, Unofficial Transcript). The main content area is titled 'Students: Student Grades' and shows a table of classes. A red arrow points to a redacted student name with the text 'Your child's name will be listed here'. Another red arrow points to the 'Progress' column with the text 'Click on progress to see a list of graded work'. A third red arrow points to the 'Homework' column with the text 'Click on homework to check for homework assignments'. The table has columns for Grades, Schedule, Attendance, Discipline, Demographic, Class, Description, Teacher, Homework, and Progress. The table lists 17 classes with their respective descriptions, teachers, and links for Homework and Progress.
