

1130 STAFF LIAISON COMMITTEES

The Board of Education encourages the Superintendent to maintain close liaison with staff members in order to coordinate district programs and operations, to consult with appropriate staff members in developing administrative regulations and formulating recommendations for Board consideration, and to detect and resolve problems as they may arise.

The Superintendent is authorized to establish such staff liaison committees as he/she may deem necessary and to seek Board approval of each such committee, to establish the purpose and duration of each such committee, and to appoint appropriate employees to serve as committee members.

No staff liaison committee can be delegated the authority to make decisions or take action that is reserved to the Board or the Superintendent. Committee reports and recommendations may be advisory only.
