

2230 CURRICULUM GUIDES

The Board of Education directs the preparation of a guide for each approved course of study in order to direct and assist teaching staff members toward the attainment of goals addressed by that course. Curriculum guides will be developed by grade level.

Each curriculum guide will contain, as appropriate to the grade level, content standards; objectives, concepts, and skills to be taught; attitudes and appreciations to be developed; suggested activities designed to achieve the objectives; suggested methods of instruction; performance indicators; evaluation criteria intended to test the extent to which learning objectives have been achieved; and a reading list of supplemental titles for the guidance of teachers.

The curriculum guides will be the basic instructional tool for each course of study.

No teacher shall be expected to implement every suggestion made in the guide, nor shall the guide constrain a teacher from the use of ingenuity in meeting the objectives of the guide, subject to the review of the Superintendent.

The Superintendent shall be responsible for the preparation of curriculum guides, and shall develop a plan for such preparation that includes the participation of appropriate staff members and resource personnel; the participation of members of the community; the participation of pupils at appropriate grade levels; continuing research in instructional methods, materials, and activities; systematic review of all curriculum guides to ensure their continuing usefulness in achieving goals set by the Board; and a system of administrative review to ensure that course guides are being followed by teaching staff members to the degree of conformity desired by the Board.

Whenever new curriculum guides are developed or existing guides revised, copies of these additions or changes must be made available to the Board for review. The Board retains the right to reject any additions, changes, and deletions to the presently approved curriculum guides.

Copies of all current curriculum guides shall be kept on file in the office of the Superintendent.
