The Board authorizes the formation of a school safety patrol of students in grades five and six.

All students eligible by grade level may apply for service on the safety patrol; selection will be made on consideration of qualities of responsibility and good citizenship.

Members of the school safety patrol may be assigned to control and direct student traffic in the school buildings and on sidewalks or paths adjacent to a street or roadway. No safety patrol member shall be permitted to direct or place himself/herself in the path of vehicular traffic.

The Board authorizes the purchase of supplies and equipment to identify safety patrol members and enable them to perform their assigned functions. A faculty member shall be assigned as supervisor to the school safety patrol.
